## What is a smile Cash ISA?

- It’s a deposit account, paying a variable rate of interest, which means it can go down as well as up.
- An ISA is not an investment in its own right, it’s a tax-free\* wrapper in which you can hold your money to protect it from income and capital gains tax.
- Because of the tax benefits of ISAs, the government has set limits on the amount you can invest in an ISA in each tax year – as described on the following pages.
- To open an account you must be a UK resident aged 18 or over.
- Accounts must be opened in a single name only and cannot be opened as a joint account.

## How do I pay into the smile Cash ISA?

You can use your account number and sort code (contained on your welcome letter or available through Online and Mobile Banking) to pay in by:

- Standing order.
- Direct transfer from another **smile** account or another bank account.
- Depositing cash and cheques at a Co-operative Bank branch.
- By sending a cheque through the post.
- Depositing cheques at any Post Office® branch.

## How do I take money out?

You can have access to your money at any time by the following methods:

- electronic transfer by Online or Mobile Banking
- over the counter at any Co-operative Bank branch

**Please note: this is not a flexible ISA so any withdrawals of capital cannot be replaced.**

## How much can I pay in?

- The minimum amount needed to open a **smile** Cash ISA is £1 and you can make further deposits at any time.
- The maximum you can pay into a **smile** Cash ISA if you are using your annual ISA allowance is £20,000 per tax year<sup>~</sup>, less any amount you have already contributed to a stocks and shares ISA, innovative finance ISA or Lifetime ISA.
- If you do not place any money in your account during a tax year<sup>~</sup>, you'll need to contact us to make a new declaration, should you wish to make a deposit in the following tax year<sup>~</sup>.

## What interest will I earn on my money?

- Interest is calculated daily on your cleared balance and credited to your account annually on 5 April.
- Interest rates will change from time to time to reflect changes in short-term interest rates generally and, in particular, the Bank of England base rate. We'll always notify you of any changes. Please see the terms and conditions for notification timeframes.
- The **smile** website displays the latest interest rates, go to **smile.co.uk** or if it's more convenient call us; see 'How to contact us', page 7.

## What else do I need to know?

The following sections contain important general information about ISAs that you should also read alongside the product information, before applying for a cash ISA with us.

To save in a cash ISA you must be aged 18 or over and be resident in the UK.

You cannot pay into a cash ISA with us if you have already paid in the full annual ISA allowance in this tax year<sup>~</sup>.

## What is an ISA?

Individual Savings Accounts (ISAs) were introduced by the government to encourage more people to save for the future. To help with this, ISAs are tax efficient, making them a very effective way to make your money grow. This favourable tax treatment depends on the individual's circumstances and may be subject to change in the future.

There are different types of ISA - cash ISAs, stocks and shares ISAs, innovative finance ISAs and Lifetime ISAs.

### Cash ISA

This allows you to save money in a deposit-based savings account.

## Stocks and shares ISA

This allows you to put money into a stock market-based investment, such as unit trusts, for the potential of greater returns. However, the value of investments in stocks and shares ISAs and the income from them may fall as well as rise and is not guaranteed; you may lose part or all of your investment.

## Innovative Finance ISA

Lenders can benefit from tax-free\* interest courtesy of the innovative finance ISA (IFISA), which will cover loans arranged through peer-to-peer (P2P) platforms.

## Lifetime ISA

The Lifetime ISA is available to people under the age of 40. Contributions of up to £4,000 can be made in each tax year~ and the government will then provide a 25% bonus on these contributions at the end of the tax year~. The funds can be withdrawn from the age of 60, or before that for the purpose of purchasing a first home.

**Please note, we do not offer stocks and shares ISAs, innovative finance ISAs or Lifetime ISAs.**

## How much can I save in an ISA?

The government limits the amount you can save and invest in ISAs each tax year~ (6 April to 5 April the following year).

The annual ISA allowance is £20,000 and you can save any part of, or your whole ISA allowance in a cash ISA, a stocks and shares ISA, innovative finance ISA or a Lifetime ISA, or any combination of the four. The following chart illustrates this:

Per tax year~	Cash ISA	Stocks and shares ISA	Innovative Finance ISA	Lifetime ISA	Maximum total allowance
<b>6 April to 5 April each tax year~</b>	up to £20,000 less whatever you deposit in a stocks and shares ISA, an innovative finance ISA and a Lifetime ISA	up to £20,000 less whatever you deposit in a cash ISA, an innovative finance ISA and a Lifetime ISA	up to £20,000 less whatever you deposit in a cash ISA, stocks and shares ISA and a Lifetime ISA	Up to £4,000. Contributions to a Lifetime ISA count towards the overall £20,000 ISA contribution limit	up to £20,000

Please note once you have paid in your full annual ISA allowance for the tax year~, you can't make any further payments into an ISA of any type until the next tax year~, regardless of any withdrawals you might make.

If you pay into a cash ISA, you will be subscribing to a cash ISA for the current tax year~ and you will be limiting the amount of tax efficient savings you can make in a stocks and shares ISA, innovative finance ISA and Lifetime ISA. Where you do not use your full ISA allowance within a tax year~, it cannot be carried forward into the next tax year~.

## What if my contributions exceed the ISA limits in any tax year?

If you put too much into your **smile** Cash ISA with us, we'll return the money to you. How long this takes will depend on how you put it in:

- From another smile or Co-operative Bank account, you'll have the money back the next day
- Via electronic transfer from another bank, you'll have the money back about four Business Days' later
- By cheque, we'll have to wait for a cheque to clear before we send you the money back.

## Can I transfer my ISA?

You may transfer a cash ISA into a stocks and shares ISA or innovative finance ISA.

Some ISA providers may also offer the facility to transfer in any money you have in a stocks and shares ISA or innovative finance ISA to a cash ISA; we do not currently offer these types of transfers.

**Transferring in** – you can transfer an existing cash ISA you have elsewhere into a **smile** Cash ISA by calling us.

- Your cash ISA with your existing provider may have restrictions relating to ISA transfers out and you may wish to check this before requesting a transfer to us.
- You will not lose the tax benefits provided you first open a cash ISA with us. **You must not withdraw the funds yourself to transfer to us as they will lose their tax-free\* status.**

If you're transferring the current tax year's ISA allowance, you must transfer all of the subscription you have already made for the current tax year. You can, however, open a new cash ISA with us by transferring previous tax year's subscriptions of any amount so long as it doesn't contain the current tax year's subscription.

**Transferring out** – you can transfer part or all of your **smile** Cash ISA to another ISA provider at any time.

- You will not lose the tax benefits provided you first open a cash ISA with another provider.
- Your new provider should then be asked to contact us to arrange the transfer.
- **You must not withdraw your funds yourself to transfer as your funds will lose their tax-free\* status.**

## What about tax?

- Any interest on money saved in a **smile** Cash ISA is paid tax-free\*, which means completely free of UK income tax, provided all ISA conditions are met.

## What if I open a smile Cash ISA, then change my mind?

- You have a right to cancel your ISA, without giving any reason, for 14 calendar days from the date the account is opened or upon receipt of your welcome letter (if we send you one), whichever is later.

- It's important that you notify us if you change your mind, and don't simply close your account. If you close your account without notifying us that you have changed your mind, any money that you withdraw from your ISA will lose its tax-free\* status, and, if repaid back into an ISA, it will count towards your current tax year's ISA allowance.
- When you cancel your account we'll help you switch to another of our accounts, transfer your ISA to another provider or give you your money back, as you wish.
- You can cancel by writing to us at: SPS UK&I Ltd, The Co-operative Bank, Interface Business Park, Bincknoll Lane, Royal Wootton Bassett, SN4 8QF, phoning us on 03457 212 212#, sending us an encrypted (secure) message via your account on the **smile** website or by visiting any branch.
