## 1. Your account

- 1.1 To open an account you must be a UK resident, over 18 and to have an account you must receive a regular payment (i.e. wage, salary, pension) which you must pay into your account.
- 1.2 You can appoint an attorney under a power of attorney. If you authorise another person to operate your account they must do so in accordance with the conditions and you will be responsible for their actions or omissions as if they were your own.
- 1.3 You can only use your account as a personal account. You must not use it as a club, charity, sole trader, company, partnership or other kind of business account.

## 2. Payments into your account

- 2.1 We accept cash, cheques and other items that are payable to you for payment into your account. If you pay items into your account on a working day we will usually deal with them that day provided they are received by us before 4.30pm (3.30pm in Northern Ireland), otherwise they will be dealt with the next working day. This will affect when you can withdraw the money, please see condition 4 for details.
- 2.2 If you pay a cheque into your account and it is returned unpaid, the amount may be deducted from your account. We will tell you when this has happened. We may ask for payment again from the bank of the person who issued the cheque or return it to you. If you withdraw some or all of the amount of a cheque which is later returned unpaid and this withdrawal or the unpaid cheque causes your account to go overdrawn or over an agreed overdraft limit, this will be considered an informal request to access our overdraft services in accordance with condition 6.

- 2.3 If a payment is fraudulently or mistakenly paid into your account, the amount of the payment may subsequently be removed from your account. This may be the case even if you have used all or part of the money. If deduction of the payment from your account would either make your account go overdrawn or over an agreed overdraft limit, this will be considered an informal request to access our overdraft services in accordance with condition 6.

## 3. Payments out of your account

- 3.1 We will make a payment out of your account if:
  - you authorise us in accordance with these conditions; and
  - there is available money in your account, either cleared funds or an agreed overdraft.

We may consider any due payments made, agreed or authorised from your account regardless of whether or not they have yet been deducted.

- 3.2 We may decline to make a payment out of your account if:
  - we suspect the payment to be fraudulent as part of our monitoring for fraud prevention purposes
  - you do not have available money in your account at 9pm the working day before to cover payments.
- 3.3 If you ask us to make a payment out of your account either by cheque, card or other payment instruction when you do not have available money in your account or which would cause your account to go overdrawn without agreement or over an agreed overdraft limit, we will consider this an informal request to access our overdraft services in accordance with condition 6.

- 3.4 There may be a delay in us carrying out your payment instructions while monitoring and/or fraud prevention checks take place.
- 3.5 You can ask us to stop or cancel a payment provided:
- the amount has not already been deducted from your account
  - we have not told the payee or their bank that it will be paid
  - if a cheque, it has not been guaranteed by your cheque guarantee card
  - if it is a standing order or direct debit, your request is made by 8pm on the working day payment is due to be debited
  - it is not a cash or card payment.
- If you want to cancel a direct debit or other regular payment, tell us, but you must also tell the person or organisation that collects the payment that you have cancelled it.
- 3.6 When you write a cheque it is important to take all reasonable precautions to prevent anyone else altering it. For example, clearly write the name of the payee and add the name or account number of the person the money is being paid to, e.g. HMRC (account AN Other). Always draw a line through unused space on the cheque, to prevent extra numbers or names being added. Do not write a future (or post) date on a cheque as it may not prevent the payee from paying it into their bank before that date and payment being made.
- 3.7 If your cheque book or any cheques are lost or stolen or have been used by someone else, please tell us immediately by telephoning 0845 600 6000 or sending us an encrypted (secure) message.
- 3.8 You can tell us to stop a cheque by telephoning 0870 843 2265 or sending

us an encrypted (secure) message. The charge for stopping a cheque is set out in the account charges on our website at [www.smile.co.uk](http://www.smile.co.uk).

- 3.9 If we receive one of your cheques for payment and it is more than six months old we may, but we do not have to, pay it.

## 4. Clearing payments

- 4.1 Generally, the 'central clearing cycle' for England and Wales (normally 3 working days) is the time taken for payments made from or into your account to be deducted or added.
- 4.2 If you issue a cheque the money will normally be deducted from your account 3 working days after the payee pays it into their bank account, unless it is paid into a building society, a bank outside the United Kingdom or a post office, where it may take longer. If you cash a cheque at your branch the amount will normally be deducted from your account the same day provided it is a working day. If you issue a cheque which is 'specially presented' the amount will be deducted from your account the working day it is received by us.
- 4.3 When you pay a cheque into your account you will normally have to wait 4 working days after the working day it has been paid in before you can withdraw the money. If you pay a cheque into your account via a post office the payment into your account will be delayed by up to 2 working days and, therefore, you will normally have to wait 6 working days after the working day it has been paid in before you can withdraw the money.
- 4.4 A cheque paid into your account may be returned unpaid. This will usually happen 4 working days after it has been received by us, but it could be later. In these circumstances condition 2.2 will apply.

- 4.5 When you pay cash into your account at any of our branch counters or with your card at a post office, the money will be available that working day provided payment in is before 4.30pm. Cash paid in after 4.30pm will be credited to your account the next working day.
- 4.6 If you have instructed us to make an automated payment, such as a standing order or direct debit, the payment will normally be deducted immediately but can be reversed, for example, if we suspect error or fraud. It may take up to 3 working days before the payment reaches the payee.
- 4.7 Funds transfers between accounts held with us instructed either by telephone or internet banking will be available to draw on the same working day provided the instruction is before 9pm. Transfers can be reversed, if we suspect the transfer to be fraudulent, as part of our monitoring for fraud prevention.

## 5. Joint accounts

- 5.1 You may open an account jointly with one other person. You may add additional joint account holders once an account is open, but no more than 3 people may have a joint account. We will not operate a joint account where authorisation of all joint account holders is required for any payment or withdrawal.
- We may accept and act on instructions provided by one of you by telephone, internet, in writing or otherwise, even if the other disagrees.
- 5.2 We may issue a card to all or any of you.
- 5.3 We may deduct from the account all amounts which any of you authorises us to pay. This applies whether the account is in credit or overdrawn or exceeds any overdraft limit as a result.
- 5.4 If any joint account holder tells us of a dispute between any of you we may

treat this as cancellation of authority to operate the account and any further payments or withdrawals will need the authority of all joint account holders and use of additional services, such as telephone or internet banking, may be suspended. We may also ask for return of cards and unused cheques.

- 5.5 In the event of the death of any of you, the survivor(s) will have authority to instruct us to pay to them any credit balance on the account.

## 6. Overdraft services

- 6.1 If you wish to use your account to borrow from us you can do so by use of our overdraft services.
- 6.2 You can request use of our overdraft services either formally (in accordance with condition 6.3) or informally (in accordance with condition 6.4). We would always encourage you to request our overdraft services formally rather than informally.
- 6.3 You can request our overdraft services before your account goes overdrawn and if we agree to your request we will tell you your overdraft limit, confirm the terms of your overdraft in writing and we can charge you.
- 6.4 If you have not requested our overdraft services in accordance with condition 6.3 you may still request our overdraft services by undertaking a payment or withdrawal from your account, even though no overdraft limit has been agreed or where the payment or withdrawal would cause you to exceed any agreed overdraft limit. It will be within our discretion to agree your request for overdraft services in these circumstances and we can charge you. An overdraft not agreed in advance is more expensive than one that is.
- 6.5 Whether or not we agree any request from you under condition 6.4, you agree to immediately pay into your account

enough money to bring your account into credit or within any agreed overdraft limit.

- 6.6 We may at any time reduce any agreed overdraft limit, subject to these conditions. You agree to repay all amounts owed to us by your use of our overdraft services at the end of any agreed term or immediately on our written demand. Any written demand will be sent by first class post to the address you last notified to us and will be treated as having been received by you 24 hours after posting; alternatively, we may send you a secure message. We will normally give you warning that your overdraft must be repaid or its limit reduced, but we may ask for repayment or reduction immediately. If possible, we will give you prior notice but we may ask for repayment without notice. Until repayment, you will continue to pay interest and charges both before and after any court order in our favour for repayment.
- 6.7 Interest on an overdraft is calculated on the cleared balance each day and debited on the 21st of each month or the nearest working day after.
- 6.8 If any accounts you hold with us are in credit, we may use them to reduce or repay any amounts you owe on other accounts you hold with us in the same name (including any credit card, loan or other accounts, including joint accounts). This is called set off and we will advise you as soon as possible afterwards when we have done this.
- 6.9 Charges applicable to our overdraft services are variable in accordance with conditions 7 and 13 and are explained and set out in our account charges on our website which forms part of these conditions.
- 6.10 You are personally responsible for any money you owe us, whether this is as a result of your own actions or

someone authorised by you. If you have a joint account all of you together and individually are responsible for any money owed to us on a joint account. We can demand payment from all or any of you. If joint account holders also have a sole account with us and that has a credit balance, we can apply set off.

- 6.11 Once we have agreed to provide you with a formal or informal overdraft you have a right to cancel it within 14 days (10 working days). If you wish to do so please telephone us on 0870 843 2265 or send us a secure message. If you decide to cancel you must immediately repay us the full amount you owe us including any interest or charges. If you do not cancel you are still free to end your overdraft at any time by repaying all amounts owed to us.

## **7. Charges and interest**

- 7.1 When you open an account please ensure you read information about our account charges on our website at [www.smile.co.uk](http://www.smile.co.uk), which forms part of these conditions. This includes the details of interest rates and charges for our services. You can also find out about these charges by telephoning us on 0870 843 2265.
- 7.2 We may vary our charges or interest or introduce new ones, this may include, for example, a fee for having an account with us or for use of additional services such as internet banking. We will give you 30 days' prior notice if we vary any charges or interest or introduce new ones. Please refer to condition 13 for details.
- 7.3 You will be charged a fee for any cash advance (including overseas, except Northern Ireland) from a Visa or Plus cash machine (ie a machine which does not display the LINK symbol) or a Visa authorised bank branch or when you purchase travellers cheques or foreign

currency with your card. Details are explained and set out in the account charges on our website.

- 7.4 If you make a payment in a currency other than sterling it will be converted back into sterling using a wholesale market rate and we will apply an additional charge of 2.75%. The conversion rate may not be the same as when the payment was made as the rates may vary.
- 7.5 If your account is interest bearing, interest will be calculated from 2 working days after the working day a cheque, standing order or direct debit has been paid in and from the next working day after payment in for cash or funds transfers between accounts held with us.

## 8. Statements

- 8.1 We will send you regular statements showing the balance of your account. If you have a joint account you have chosen as part of the account opening process to receive only one statement.
- 8.2 Please ensure you check your statement as soon as you receive it and inform us as soon as possible if there is an incorrect item on it. We will investigate and if an error has occurred, correct it

## 9. Card issue and PIN

- 9.1 We will issue you with an Electron or debit card (or each of you in the case of a joint account) to use as part of your account, in accordance with these conditions.
- 9.2 We will issue you with a PIN (Personal Identification Number) which you can use with your card to:
- withdraw cash from a cash dispenser
  - purchase goods or services from a retailer or other supplier who will usually ask you to input your PIN into a screened key pad, instead of using your signature.

- 9.3 You authorise us to deduct from your account the amount of any payment carried out by use of your card, with or without using the PIN, or card details, whether or not you have given or authorised such instructions.
- 9.4 You must not use your card after the end of the month it expires, or after we have asked you to return it to us, or told you it is cancelled, or that its use is suspended, or your account is terminated.
- 9.5 You will be responsible for all losses from use of your card and/or PIN if you have acted without reasonable care, including not complying with condition 10, or you have acted fraudulently.
- 9.6 We may ask you to return your card to us or suspend its use at any time but we will normally give you prior notice, unless we have a reason for not doing so, e.g. we consider your card or account has been or is likely to be misused. We may deduct from your account any card payment (and any charges) made by you, but not paid by us until after return or suspension of the card.
- 9.7 You may use your card to pay for goods and services through a number of different channels, e.g. internet, telephone, television and mail order. You must not disclose your PIN to anyone.
- 9.8 We will register you with a service called Verified by Visa (to help reduce fraud). Then, if you pay for goods or services ordered on the internet using your card and the retailer or supplier participates in Verified by Visa, you will need to use the service. If you do not use the service, we may not authorise further internet transactions with participating retailers and suppliers.
- 9.9 We will not be responsible if a retailer or other supplier refuses to accept your card or if you cannot use your card to make a payment.

- 9.10 You cannot stop a card payment. You may get a refund from the retailer. We will only credit the account with a refund if we receive instructions or a refund voucher from a retailer, acceptable to us.
- 9.11 We may refuse to make or authorise a card payment arising from an informal request for our overdraft services in accordance with condition 6.
- 9.12 We may refuse to authorise a payment if we consider that your card or account has been or is likely to be misused, or for fraud prevention. For decision making and card misuse purposes we may refer an authorisation request back to the retailer or supplier for further information. This may require you to provide further identification. This may also be done on a random basis for fraud prevention purposes.
- 9.13 If you use your card to withdraw cash from some cash machines, you may be charged. We will not be responsible if you cannot use your card in a cash machine operated by another financial organisation.
- 9.14 You may use your card as a cheque guarantee card. We guarantee to pay a cheque guaranteed with the card provided:
- the cheque is drawn on the account
  - the cheque is issued and dated before the expiry date on the card
  - the cheque is signed by you in the presence of the payee
  - the signature on the card and the cheque are the same
  - the card number is written on the back of the cheque by the payee
  - the card has not been altered or defaced

- the cheque is dated with the actual date of issue
- the amount is within the cheque guarantee limit stated on the card.

You cannot stop a cheque guaranteed with your card and you must only issue one guaranteed cheque in any single transaction.

If you issue a guaranteed cheque and this would cause your account to overdraw or exceed any agreed overdraft limit, we will consider this an informal request for our overdraft services in accordance with condition 6.

## 10. Security
